Sabbatical Preparation

Hello St. Michael's! It is officially May, which means we are getting closer to summer and to my upcoming sabbatical scheduled for July 1 - August 20. This is half of a sabbatical, and I plan to take the second half in the summer of 2024. You can read about these plans and their evolution by going here: <https://www.stmichaelsbarrington.org/media-resources/st-michael-s-blog/19-blog/pastors-blog/1269-rector-sabbatical-changes>

So what is a sabbatical, what will I be doing, and what are the protocols? I hope this newsletter article answers all of those questions.

A Note from our Sunday School Director

Kim Curtis

kcurtis@stmichaelsbarrington.org

Wait until you hear the children sing during the offertory this week. They have been practicing for a few weeks a new song during music time. It's going to wow you all!!

Each year Youth Sunday is such a spectacular celebration and recognition of our youth at

St. Michael's. Make sure to take some pictures and email them to me. This year, staff is making a conscious effort to keep a file of pictures for annual meeting presentation.

Please arrive earlier than usual at 9:40am to practice the song. The bell choir will also be rehearsing then. If your child wants to participate in the day at the last minute. We can have them be a greeter at the front door or the choir door. All our readers and greeters can get into place right after we rehearse in the Nave.

Looking forward to seeing you and enjoying the nice weather headed out way.

St. Michael's 75th Anniversary Lindsay Taylor, Senior Warden

I am excited to write to you all this week about 75th Anniversary festivities at St. Michael's Episcopal Church this fall! (Yaaaaay! Party! Woo!) There will be a series of events, including:

- A kickoff Sunday potluck on September 10 (fire up your Crock Pots!)
- A formal event on Saturday, September 30
- A St. Michael's Sunday after-church reception on October 1
- An annual meeting luncheon on February 4

NOTE: When this schedule was posted last week it included an error regarding the

October date, the date above is correct.

These events will be sure to offer many opportunities to use your special skills and gifts to be a part of the planning and execution of these exciting celebrations. While I am sure everyone at St. Michael's will be involved, I am sharing an initial opportunity to sign up to express interest in volunteering.

If you are interested in volunteering your time and skills to making the 75th anniversary of St. Michael's the best it can be, please share your information at the following sign-up link: [St. Michael's 75 Anniversary Events Volunteers Sign-Up](#)

What will he remember most about St. Michael's?

One of my fondest memories is of the Youth Mission trip we took to South Haven, Michigan in 2017. I was 12 years old and it was one of the first times I was on a trip without my parents. I had so much fun hanging out with friends and being an active part of the community. We did a lot of different projects - nothing too hard, mostly clean up type of work, but I really felt like we made a difference.

The thing I will remember most about St. Michael's is the dinners we ate at the Sturtz house during confirmation classes, they were always so good.

Rebuilding Chicago Team Works Wonders

We send many thanks to the volunteers and donors who supported the Rebuilding Chicago project.. The day turned out great and Letty was beyond words of praise; she shared this thank you note: "*St. Michael's volunteers,*

The Rodriguez family thanks you from the bottom of our hearts. We wish each one, along with your families, many, many blessings. Your hard work will never go unnoticed! The world is a better place because of people like you."

We were able to accomplish the following: paint the living room, dining room, and hallway. Replace the stair landing flooring and stair treads (thanks Steve!!), and structurally support floor joists. The union plumbers replaced a leaky toilet and shower valve and installed a laundry tub. The union electricians replaced 3 breakers, a few GFI outlets, 3 light fixtures and 2 ceiling fans. We also collected 3 boxes of home goods, toiletries, and cleaning supplies.

For our first year, I believe it was a great success and a great team!! Here are links to news coverage and photos.

CRISIS IN SUDAN, SOUTH SUDAN & RENK

By Archbishop Joseph Garang Atem

Thank you for your love and prayers for your sisters and brothers in Sudan and South Sudan. The situation in Khartoum (capital of Sudan) is very bad. The fighting is going on up to now. It is making people flee from Khartoum to South Sudan, especially Renk Town, which is nearest to the border between the two countries. Since the fighting began, we received more than 45,000 in Renk Town and Paloch. It is difficult for Renk to manage that big number. It is creating big problems for all returnees, refugees and the host communities. Renk Diocese needs support of prayers and finances. Even a little will make a lot of difference because all are suffering from this unexpected crisis.

Continue praying for us, as we pray for you.
Your brother in Christ, Archbishop Joseph

CHURCH DIRECTORY

Time to update your info!

In the spirit of spring cleaning, we're updating our member database so that can have more accurate records and better serve our parishioners. Click the link below to go to the member update form where you can fill out your information, along with that of any of your other household family members. We only require the name and date of birth, but any additional information you can provide would be appreciated!

[Member Update Form](#)

Upcoming Photo Directory

We are also working on a new photo directory for our members! We aim to have a draft ready and printed by mid-May so that we have time for corrections and updates for our final version which we plan to release mid-Summer. Photos are not required, but since it will be a photo directory, we do encourage you to provide one. The directory uses one photo for the member entry, so families should submit a group photo if more than one person wants to be included. Photos can be uploaded in the member update form linked above.

Congratulations to Juliet Duncan!

Dear St. Michaels!

As you may or may not know, I have been working towards becoming a nurse since 2017 (prerequisites). I was accepted into the nursing program at ECC in February 2020 to be in the Fall 2020 cohort. I was elated! My lifelong dream could become a reality! After MANY bumps in the road, including the death of 7 people, including my dad, and being delayed by a year to graduate, I FINALLY made it! I will be graduating on May 20th and will be hosting a graduation party on Sunday June 4th from noon until 6pm. You can come and go as you please. The location is at Lord's Park in Elgin: East Shelter: 325 Hiawatha Drive, Elgin, IL 60120. We will be grilling burgers and hot dogs. There will be sides, chips, pop/juice, desserts, cake etc. If you feel so inclined, you may bring a dish to share (but do not feel obligated). I hope you will be able to come celebrate this momentous occasion with us! If you have any questions or would like to RSVP, my email is: Juliet2384@gmail.com or I can be reached at 847-951-9198.
